

A Fair Country: *Truth or Tall Tale*

On Wednesday, April 30 we had the pleasure of welcoming renowned author, activist and philosopher, John Ralston Saul who spoke about his book *A Fair Country* and his view of the cultural and spiritual divide that permeates Canada. Our Incumbent, Andrew Asbil, was host for the evening, and Archbishop Michael Peers, former Primate of the Anglican Church of Canada provided the introduction. We also had the deep joy of listening to Diem (Mama D) Lafortune whose powerful voice filled the space. An audio recording of John Ralston Saul's comments is available for podcast on our website: theredeemer.ca/Page/AdultLearningArchiveLivingFaith.html#JRSRemarks 📻
